“We the Peoples of the World Urge Political Leaders to:
Seal the Deal! at COP 15 on a climate agreement that is definitive,
equitable and effective. Set binding targets to cut greenhouses
gases by 2020. Establish a framework that will bolster the climate
resilience of vulnerable countries and protect lives and livelihoods.
Support developing countries' adaptation efforts and secure
climate justice for all.”

The UN Worldwide Campaign on Climate Change

SEAL THE DEAL! THE CLIMATE PETITION

Sign the Climate Petition ... Let Your Voice be Heard

The Climate Petition will be presented to the governments of the world in Copenhagen in December 2009. The Climate Petition is a consolidation of global appeals for a definitive agreement on climate change. Choose this historic moment to make a difference. Add your voice to the Climate Petition.
