Add your voice to the global chorus encouraging governments to seal the deal on a fair, balanced and effective climate agreement at the UN Climate Change meeting in Copenhagen this December.

Go to [www.sealthedeal2009.org](http://www.sealthedeal2009.org) and sign the Climate Petition. By stamping a "People's Seal" at this station, your name will be added to the international database of Petition Signatories. Thank you for helping to protect the planet!
